Are there any guarantees?

This Segregated Fund is being offered under an insurance Contract. It comes with guarantees that may protect your money if the value goes down. The fees are summarized in the "Ongoing Fund expenses" section. For details, please refer to Sections 10 and 13 of the Contract.

Who is this Fund for?

This Fund may be suitable for contractholders if they:

- want to invest in a diversified portfolio of equity and income securities designed for steady, long-term growth
- are investing for the medium and/or long term

How has the Fund performed?

Average return

This section tells you how the Fund did in the past. A person who invested \$1,000 in the Investment Class Fund in April 2011 would have \$1,223.25 in December 2019. This works out to an average of 2.34% a year. The returns are after the MER has been deducted. The insurance fees and other costs will reduce the returns of the Fund. Past returns do not tell you how the Fund will do in the future. Your return will vary based on your guarantee option and personal tax situation.

Year-by-year returns (%)

This chart shows how the Fund has performed in each of the past eight years. In the past eight years, the Fund was up in value six years and down in value two years.

How risky is it?

The value of your investment can go down. For details, please refer to Section I-7 of the Information Folder.
