Are there any guarantees?

This segregated fund is being offered under an insurance contract. It comes with guarantees that may protect your money if the value goes down. The fees are summarized in the "Ongoing Fund expenses" section. For details, please refer to the Information Folder and Contract.

Who is this fund for?

This fund may be suitable for contractholders if they:

- want an investment with long-term capital growth potential
- are investing for the medium and/or long term.

How has the fund performed?

Average return

This section tells you how the fund did in the past. A person who invested \$1,000 in the no-load fund in December 2009 would have \$1,657.03 in December 2019. This works out to an average of 5.18% each year. The returns are after the MER has been deducted. The MER of the segregated fund includes insurance fees. The insurance fees and other costs will reduce the returns of the fund. Past returns do not tell you how the fund will do in the future. Your return will vary based on your guarantee option and personal tax situation.

Year-by-year returns (%)

This chart shows how the fund has performed in each of the past ten years. In the past ten years, the fund was up in value six years and down in value four years.

How risky is it?

The value of your investment can go down. For details, please refer to the Information Folder and Contract.
